Kyoto was the nation's capital for 1,200 years. There are a large number of historically important sites (16) visiting. Take the Temple of the Golden Pavilion for example. It is one of the most-photographed temples in Kyoto. (17) in gold leaf, the temple shines as (18) as the sun. On a sunny day, visitors can also see the temple's (19) on the Japanese garden pond in front of it.

For those who are looking for Zen simplicity, Ryoanji Temple is a must-see. It has the most famous Zen rock garden in Japan, (20) rocks and sand are skillfully placed to suggest mountains and water. (21) in the garden meditating for a while can give the viewer a tranquil sense of natural beauty.
